C. COMPANY OVERVIEW

The Company was incorporated on September 22, 2021, as a Private Limited Company under the provisions of the Companies Act 2013, with its registered office in Chennai. The Company is a wholly owned subsidiary of Samunnati Financial Intermediation & Services Private Limited.

The Company will engage in the business of providing Financial Assistance and improving access to finance to underserved geographies and customer segments by providing or arranging loans and advances. The Company is in the process of obtaining Registration/License from the Reserve Bank of India (RBI), to operate as a Non-Banking Finance company (NBFC). The NBFC business of Samunnati Financial Intermediation & Services Private Limited would be transferred to the Company by way of a slump sale, as part of the Scheme of Arrangement that the Company has entered into, upon the Scheme becoming effective.

D. COMPOSITE SCHEME OF ARRANGEMENT

The Board of Directors of the Company had at the Meeting held on October 29, 2021, approved a Composite Scheme of Arrangement (“Scheme”) for:

- (a) the slump sale (i.e., transfer and vesting) of the Business Undertaking of Samunnati Financial Intermediation & Services Private Limited as a going concern into the Company, pursuant to the provisions of Section 230 to Section 232 of the Companies Act, 2013, and
- (b) post giving effect to (a) above, the amalgamation of Samunnati Agro Solutions Private Limited into Samunnati Financial Intermediation & Services Private Limited, pursuant to the provisions of Section 230 to Section 232 of the Companies Act, 2013.

The Company had obtained the approval of all stakeholders for the Scheme and had, along with Samunnati Financial Intermediation & Services Private Limited and Samunnati Agro Solutions Private Limited, filed a joint petition before the National Company Law Tribunal, Chennai (“NCLT”) for approval for the Scheme.

The NCLT heard the matter and took on record the NOCs submitted by the regulators and in view of the absence of any material objections from any statutory authorities and as all the requisite statutory compliances had been fulfilled, the NCLT sanctioned the Scheme and pronounced the order sanctioning the Scheme on December 23, 2022.

The Effective Date of the Scheme is the date of receipt of the NBFC license by the Company or filing the copy of the NCLT order with the Registrar of Companies, whichever is later.

The application filed by the Company seeking NBFC license has been returned by the RBI. The Company is in the process of liaising with RBI.

Chartered Accountants

Independent Auditors' Report

To the Members of Samunnati Finance Private Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Samunnati Finance Private Limited ("the Company"), which comprise the balance sheet as at 31 March 2023, and the statement of Profit and Loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, and profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Information Other than the Financial Statements and Auditors' Report Thereon

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Directors report but does not include the financial statements and our auditors' report thereon. These reports are expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the audit or otherwise appears to be materially misstated. When we read the reports containing the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of the Management and Board of Directors for Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness

of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing our opinion under section 143(3)(i) of the Act on whether the company has adequate internal financial controls with reference to the financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

Since the comparative year was the first set of financial statements, the comparative numbers are given from the date of incorporation i.e. 22 September 2022 to 31 March 2023.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company in electronic mode on servers physically located in India so far as it appears from our examination of those books except that we were unable to verify the back up of books of accounts maintained in electronic mode for the period from August 5, 2022 to March 31, 2023, as necessary logs in respect of such period are not available with the Company.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the (Ind AS) specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on 31 March 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) Pursuant to MCA notification dated 13th June 2017, reporting on adequacy of the internal financial controls with reference to the financial statements is exempted for this company.
 - (g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations as at 31 March 2023 which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2023; and
 - iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries
 - (b) The management has represented, that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner

whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries

(c) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.

v. The Company has not paid/declared any dividend during the financial year. Accordingly, reporting on compliance with the provisions of Section 123 of the Act is not applicable.

vi. As proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Company only w.e.f. 1 April 2023, reporting under this clause is not applicable.

3. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

Since the Company is a private limited company, the provisions of Section 197 of the Act are not applicable to it. Accordingly, reporting on the compliance with the provisions of Section 197 of the Act is not applicable.

Annexure A

Referred to in paragraph 1 on 'Report on Other Legal and Regulatory Requirements' of our report of even date to the members of Samunnati Finance Private Limited ("the Company") on the financial statements as of and for the year ended 31 March 2023.

- (i) The company does not have any property plant and equipment, intangible assets or right of use assets, hence this paragraph 3 (i) of the order is not applicable to the company.
- (ii)
- a) The Company does not have any tangible inventory. Accordingly, the provisions of clause 3(ii)(a) of the Order are not applicable.
- b) Based on our audit procedures & according to the information and explanation given to us, the Company has not been sanctioned loan in excess of five crore rupees from banks or financial institution on the basis of security of current assets and hence the question of filing quarterly returns or statements by the company with such banks or financial institutions does not arise. Accordingly, paragraph 3(ii)(b) of the Order is not applicable to the Company.
- (iii) Based on our audit procedures & according to the information and explanation given to us, the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, paragraph 3(iii) (a) to (f) of the Order is not applicable to the Company.
- (iv) Based on our audit procedures & according to the information and explanation given to us, the Company has neither given any loan, guarantees and security nor made any investment during the year covered under section 185 and 186 of the Act. Therefore paragraph 3(iv) of the Order is not applicable to the Company.
- (v) Based on our audit procedures & according to the information and explanation given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of the Act and the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.
- (vi) The Company is not required to maintain cost records specified by the Central Government under sub section (1) of section 148 of the Act. Accordingly, paragraph 3(vi) of the Order is not applicable to the Company.
- (vii)
- (a) According to the information and explanations given to us and the records of the Company examined by us, the Company has been regular in depositing undisputed statutory dues including income-tax, and any other material statutory dues as applicable with the appropriate authorities. Sales-tax, service tax, Goods and Service Tax, provident fund, employees' state insurance, Profession tax, duty of customs, duty of excise, value added tax is not applicable to the Company.
- According to the information and explanation given to us and the records of the Company examined by us, no undisputed amounts payable in respect of statutory dues were in arrears, as at 31 March 2023 for a period of more than six months from the date they became payable.
- (b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.
- (viii) Based on our audit procedures and as per the information and explanations given by the management, no amount has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961. Accordingly, paragraph 3(viii) of the order is not applicable to the Company.

- (ix) The Company does not have any borrowings. Accordingly, paragraph 3(ix) of the Order is not applicable to the Company.
- (x)
- (a) The Company has not raised any money during the year by way of initial public offer/further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year and hence the question of whether the requirements of section 42 and section 62 of the Act have been complied with and the funds raised have been used for the purposes for which the funds were raised does not arise. Accordingly, paragraph 3(x)(b) of the Order is not applicable to the Company.
- (xi)
- (a) To the best of our knowledge and belief and according to the information and explanations given to us, we report that no material fraud by the Company or on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Act has been filed by us in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government
- (c) To the best of our knowledge and belief and according to the information and explanations given to us, we report that no whistle blower complaints were received during the year by the Company.
- (xii) The Company is not a Nidhi company in accordance with Nidhi Rules 2014. Accordingly, paragraph 3(xii)(a) to (c) of the Order is not applicable.
- (xiii) Based on our audit procedures and according to the information and explanations given to us, the Company has not entered into any related party transactions during the year. Accordingly, paragraph 3(xiii) of the Order is not applicable to the Company.
- (xiv)
- (a) In our opinion and based on our examination, the Company does not have an Internal Audit system and is also not required to have an Internal Audit System as per Companies Act 2013.
- (b) The Company did not have an internal audit system for the period under audit.
- (xv) On the basis of the information and explanations given to us, in our opinion, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi)
- (a) Based on our audit procedures and according to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of Reserve Bank of India Act, 1934 (2 of 1934). Though the main objects of the Company are to carry on the business of providing financial assistance as a Non-Banking Financial Company, the Company has not provided any financial assistance from the date of the formation of the company till the year end. As per Note 1 to the financial statements, the Company is in the process of obtaining the necessary license from the Reserve Bank of India.
- (b) Based on our audit procedures and according to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934. Accordingly, paragraph 3(xvi)(b) of the Order is not applicable to the Company.
- (c) Based on our audit procedures and according to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and hence the questions of fulfilling criteria of a CIC, and in case the Company is an exempted or unregistered CIC, whether it continues to fulfill such criteria, do not arise. Accordingly, paragraph 3(xvi)(c) of the Order is not applicable to the Company.

- (d) Based on our audit procedures and according to the information and explanations given to us, none of the group companies are Core Investment Company (CIC) and hence the question of number of CICs which are part of the Group does not arise. Accordingly, paragraph 3(xvi)(d) of the Order is not applicable to the Company.
- (xvii) Based on our audit procedures and according to the information and explanations given to us, the Company has not incurred cash losses in the financial year and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly this clause is not applicable.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- (xx) Based on our audit procedures and according to the information and explanations given to us, the company is not required to spend the amount for corporate social responsibilities and accordingly, paragraph 3(xx)(a) and 3(xx)(b) of the Order is not applicable to the Company.

1 Company overview

Samunnati Finance Private Limited ('the Company') was incorporated on September 22, 2021 and is registered under the Companies Act 2013 as a company limited by shares.

The main objects of the Company are to carry on the business of providing assistance as a Non-Banking financial company and the company is in the process of obtaining the necessary license from the Reserve Bank of India. Though the main objects of the Company are to carry on the business of providing financial assistance as a Non-Banking Financial Company, the Company has not provided any financial assistance from the date of the formation of the company till the year end.

These financial statements were authorized for issue by the Company's Board of Directors on May 23, 2023.

2 Summary of significant accounting policies**2.01 Basis of preparation**

The financial statements of the Company have been prepared and presented in accordance with Indian Accounting Standards (Ind AS) as per Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standard) Amendment Rules, 2016 as notified under section 133 of Companies Act, 2013 (the "Act") and other relevant provisions of the Act. The financial statements have been prepared on a historical cost convention on accrual basis.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Act. Based on the nature of services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle up to twelve months for the purpose of current/ non-current classification of assets and liabilities.

Since the previous year was the first set of financial statements prepared by the company after incorporation, prior period numbers as disclosed from the date of incorporation on 22 September 2021 to March 31, 2022.

2.02 Reporting and presentation currency

The financial statements are presented in Indian Rupees (₹) which is also the Company's functional currency. All amounts have been rounded off to the nearest millions, except share data and as otherwise stated.

2.03 Use of estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates, assumptions and judgements that affect the reported amounts of assets and liabilities and disclosures as at the date of the financial statements and the reported amounts of income and expense for the periods reported. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

2.04 Property, plant and equipment*Plant and equipment*

Plant and other equipment are initially recognised at acquisition cost, including any costs directly attributable to bringing the assets to the location and condition necessary for them to be capable of operating in the manner intended by the management. Plant and other equipment are subsequently measured at cost less accumulated depreciation and any impairment losses. Cost of property, plant and equipment not ready for the intended use before reporting date is disclosed as capital work in progress.

Depreciation and amortisation

Depreciation on property, plant and equipment is provided on straight line method and in the manner prescribed in Schedule II to the Companies Act, 2013, over its useful life specified in the Act, or based on the useful life of the assets as estimated by Management based on technical evaluation and advice. The residual value is generally assessed as 5% of the acquisition cost which is considered to be the amount recoverable at the end of the asset's useful life. The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end.

2.05 Provisions and contingent liabilities

Provisions are recognized when the Company has a present legal or constructive obligation as a result of a past event, it is probable that an outflow of economic resources will be required from the Company and amounts can be estimated reliably. Timing or amount of the outflow may still be uncertain. Provisions are measured at the estimated expenditure required to settle the present obligation, based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company; or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

In those cases, where the outflow of economic resources as a result of present obligations is considered improbable or remote, no liability is recognized or disclosure is made.

Any reimbursement that the Company can be virtually certain to collect from a third party with respect to the obligation (such as from insurance) is recognized as a separate asset. However, this asset may not exceed the amount of the related provision.

Contingent assets are not recognized. However, when inflow of economic benefits is probable, the related asset is disclosed.

2.06 Income tax

Significant estimates are involved in determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions.

Deferred tax assets

Significant management judgement is exercised by reviewing the deferred tax assets at each reporting date to determine the amount of deferred tax assets that can be retained/ recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

2.07 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders is divided by the summation of weighted average number of equity shares outstanding during the period, considered for deriving basic earnings per share and weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

2.08 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash on hand, cheques and drafts on hand, balance with banks in current accounts and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

2.09 Cash flow statement

The above cash flow statement has been prepared under indirect method prescribed in Ind AS 7 "Statement of Cash Flows".

2.10 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A. Financial Assets**a. Classification**

The Company classifies financial assets as measured at amortized cost, fair value through Other Comprehensive Income (FVTOCI), or Fair Value Through Statement of Profit and Loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flows characteristics of the financial asset.

b. Initial Recognition and Measurement

All financial assets are recognized initially at fair value. Transaction costs that are directly attributable to the acquisition of financial assets (other than financial assets at FVTPL) are added to the fair value measured on initial recognition of the financial assets. Transaction cost directly attributable to financial assets carried at FVTPL are expensed at the time of initial recognition. However, trade receivables that do not contain a significant financing component are measured at transaction price.

c. Subsequent Measurement

For purposes of subsequent measurement financial assets are classified in below categories:

- i. **Financial assets carried at amortized cost:** A financial asset other than derivatives and specific investments, is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- ii. **Financial assets at fair value through other comprehensive income:** A financial asset comprising specific investment is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- iii. **Financial assets at fair value through Statement of Profit and Loss:** A financial asset comprising derivatives which is not classified in any of the above categories are subsequently fair valued through profit or loss. Investments in Mutual funds are measured at fair value through profit or loss (FVTPL).

d. De-recognition

A financial asset is primarily derecognized when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

e. Impairment of Financial Assets:

The Company recognizes loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition, in which case those financial assets are measured at lifetime ECL. The changes (incremental or reversal) in loss allowance computed using ECL model, are recognized as an impairment gain or loss in the Statement of Profit and Loss.

f Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the counterparty does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

g Income recognition**Interest income:**

Interest income from financial assets at fair value through profit or loss is disclosed as interest income within other income. Interest income on financial assets at amortised cost and financial assets at FVOCI is calculated using the effective interest method is recognised in the statement of profit and loss as part of other income.

Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset except for financial assets that subsequently become credit-impaired. For credit-impaired financial assets the effective interest rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance)

Dividends:

Dividends are received from financial assets at fair value through profit or loss and at FVOCI. Dividends are recognised as other income in profit or loss when the right to receive payment is established. This applies even if they are paid out of pre-acquisition profits, unless the dividend clearly represents a recovery of part of the cost of the investment

B. Financial Liabilities**a. Initial Recognition and Measurement**

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, and derivative financial instruments.

b. Classification

The Company classifies all financial liabilities as subsequently measured at amortized cost, except for financial liabilities at fair value through Statement of Profit and Loss. Such liabilities, including derivatives shall be subsequently measured at fair value.

c. Subsequent Measurement**i. Financial liabilities at amortized cost**

After initial recognition, interest-bearing loans and borrowings are subsequently measured using the Effective Interest Rate (EIR) method. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

ii. Financial liabilities at fair value through Statement of Profit and Loss

Financial liabilities at fair value through Statement of Profit and Loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through Statement of Profit and Loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category comprises derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

d De - recognition

A financial liability is derecognized when the obligation under the liability is discharged or is cancelled or expires.

e. Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to sell on a net basis, to realize the assets and sell the liabilities simultaneously.

2.11 Recent Accounting and Other Pronouncements**New and amended standards adopted by the Company:**

The Company has applied the following amendments (wherever applicable) for the first time for their annual reporting period commencing April 1, 2022:

Ind AS 16 – Property Plant and equipment-

The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment.

Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets -

The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that related directly to a contract can either be incremental costs of fulfilling that contract (Examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract).

The above amendments did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

New Standards/Amendments notified but not yet effective:

Ministry of Corporate Affairs (MCA), on March 31, 2023, through the Companies (Indian Accounting Standards (Ind AS)) Amendment Rules, 2023 amended certain existing Ind ASs on miscellaneous issues with effect from 1st April 2023. Following are few key amendments relevant to the Company:

- i) Ind AS 1 – Presentation of Financial Statements & Ind AS 34 – Interim Financial Reporting – Material accounting policy information (including focus on how an entity applied the requirements of Ind AS) shall be disclosed instead of significant accounting policies as part of financial statements.
- ii) Ind AS 107 – Financial Instruments: Disclosures – Information about the measurement basis for financial instruments shall be disclosed as part of material accounting policy information.
- iii) Ind AS 8 – Accounting policies, changes in accounting estimate and errors-Clarification on what constitutes an accounting estimate provided.
- iv) Ind AS 12 – Income Taxes – In case of a transaction which give rise to equal taxable and deductible temporary differences, the initial recognition exemption from deferred tax is no longer applicable and deferred tax liability & deferred tax asset shall be recognized on gross basis for such cases.

The Company does not expect the effect of this on the financial statements to be material, based on preliminary evaluation. However, it may be noted that we expect there would be a change in Accounting policies section of the financial statements as the standard would require presentation of 'material accounting policies' as against 'significant accounting policies' disclosed so far.

2.12 Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

18 Fair value measurement**Financial Instrument by category and hierarchy**

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities approximate their carrying amounts largely due to short term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Financial Instrument by category

Particulars	As at March 31, 2023		As at March 31, 2022

Other financial assets	0.04	-	-	-
	25.42	-	25.00	-
Financial liabilities				
Other payables	0.17	-	-	-

The management assessed that fair value of above financial instruments measured at amortised cost approximate to their carrying amounts largely due to the short-term maturities of these instruments.

19 Financial Risk Management Framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company manages financial risk relating to the operations through internal risk reports which analyse exposure by degree and magnitude of risk. These risks include market risk (including interest rate risk and other price risk), credit risk and liquidity risk. Compliance with policies and exposure limits is reviewed by the management on a continuous basis.

(a) Credit risk

Credit risk is the risk that the Company will incur a loss because its customers or counterparties fail to discharge their contractual obligations. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents and other financial assets. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

(b) Credit risk management

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. The Company assesses and manages credit risk based on internal credit rating system. Internal credit rating is performed for each class of financial instruments with different characteristics. The Company has established a credit quality review process to provide early identification of possible changes in the creditworthiness of counterparties, including regular collateral revisions. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

The Company provides for expected credit loss based on the following:

Assets covered	Nature	Basis of expected credit loss
Cash and cash equivalents (excluding cash on hand), other bank balances and other financial assets	Low credit risk	Life time expected credit loss

Financial assets that expose the entity to credit risk

Particulars	Nature	As at March 31, 2023	As at March 31, 2022
Cash and cash equivalents	Low credit risk	0.38	25.00
Bank balances other than above	Low credit risk	25.00	-
Other financial assets	Low credit risk	0.04	-

Cash and cash equivalents and bank deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only investing in highly rated deposits of banks across the country.

Other financial assets

Other financial assets measured at amortized cost includes other receivables. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously.

Credit risk exposure**Expected credit losses for financial assets:**

Based on its assessment, the Company has not made expected credit losses for financial assets.

d Liquidity risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation. The Company maintains adequate reserves, and continuously monitors the forecast and actual cash flows by matching maturing profiles of financial assets and financial liabilities in accordance with the approved risk management policy of the Company periodically. The Company believes that the working capital and its cash and cash equivalent are sufficient to meet its short and medium term requirements.

20 Capital management

The Company's capital management objectives are:

- to ensure the Company's ability to continue as a going concern
- to comply with externally imposed capital requirement and maintain strong credit ratings
- to provide an adequate return to shareholders

The Company's capital management strategy is to effectively determine, raise and deploy capital so as to create value for its shareholders. The same is done through a mix of either equity and/or convertible and/or combination of short term/long term debt as may be appropriate.

The Company determines the amount of capital required on the basis of operations, capital expenditure and strategic investment plans. The capital structure is monitored on the basis of net debt to equity and maturity profile of overall debt portfolio. As the company does not have debt, Net debt to equity ratio is not applicable.

21 Capital commitments

There are no outstanding capital commitments as at the year end. (March 31, 2022 : Nil).

22 Contingent liabilities

From time to time, the Company is involved in claims and legal matters arising in the ordinary course of business. Management is not currently aware of any matters that will have a material adverse effect on the financial position, results of operations, or cash flows of the Company.

23 Corporate Social Responsibility

The Company is not required to incur CSR expenses as the company's incorporated only during the previous year.
